

RANGER RAPTOR

Ford

RAPTOR SMART FEATURES

RACE-BRED SUSPENSION

The Ranger Raptor's suspension system was calibrated to tackle tough terrain. Standard 2.5" FOX Racing Shocks deliver 30% more wheel travel compared to Ranger.

ALL-TERRAIN TYRES THAT SAY BRING IT

The precise tread pattern, longer tread life, and tougher side walls on All-Terrain tyres which are standard on the All-New Ranger Raptor, say Bring It – no matter what type of terrain you plan on engaging.

HUGE BASH PLATE

The Ranger Raptor's underbody shield is mammoth. Its 2.3mm thick high-strength steel is designed to absorb the impact from almost any off-road event.

BODY-CONTOURED SPORTS SEATS

The Ranger Raptor's purpose-built sports seats include unique headrests, enhanced bolsters and suede inserts for better body grip when driving off-road.

MAGNESIUM PADDLE SHIFTERS

High-quality magnesium paddle shifters on the perforated leather steering wheel allow for fast shifting without taking your hands off the wheel.

Lane Keeping Aid

SYNC[®]3 APPLE CARPLAY[™] & ANDROID AUTO¹

The Ranger Raptor's voice-controlled SYNC[®]3 system keeps you connected, entertained, and on track.

The 8" touchscreen features a unique start-up screen and supports functionalities like swipe.

¹Apple CarPlay/Android Auto requires phone with compatible version of Apple iOS/Android[™] (as applicable), active data service, and connection cable (sold separately). SYNC[®] does not control Apple CarPlay/Android Auto while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay[™], Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

COLOURS & WHEELS

Conquer Grey*

Ford Performance Blue*

Shadow Black*

Frozen White

Race Red

17" forged aluminium bead-lock capable wheel. Standard on the RANGER RAPTOR derivatives.

*Optional Prestige Paint incurs additional charge.

Note: The images are used to illustrate body colours only, and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

LIVE THE
RANGER LIFE
Ford

1

UP AND
OVER

There's no challenge we don't tackle head on. When we see a mountain range we want to go over, not around. This is true of our truck, users, Ford and partners.

2

CAN'T HELP
BUT HELP

We are doers. We pitch in. When people need help or assistance we're always there. On the building site, helping friends or loved ones, or our dealers within their local communities.

3

CARVE YOUR
OWN PATH

We are the truck that redefined the category. We don't wait for others to lead. We have a vision and objective and we're fearless in what we need to do to achieve our goals.

4

BRING OTHERS
ALONG

It's great to work hard and achieve recognition, but even better to share it with those who mean the most - our family and friends.

5

WE MAKE OUR
OWN FUN

There's no such thing as all work and no play. And when it's time to play, we know how to make the most of those opportunities. Our truck is awesome and fun to drive.

FORD PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new RANGER in perfect working condition.

All new Ranger derivatives retailed after 01 April 2018 will have service intervals of 12 months / 15000km whichever comes first. Rangers retailed prior to April 2018, please make sure you follow your service booklet for your service intervals. Service Plan covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades. An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty, please contact your dealerships for additional options on the extended warranty. Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford **PROTECT** plans and products.

Warranty: Extension covering your vehicle for up to 7 years or 200 000 kms from the original warranty start date. Please contact your nearest Ford franchise dealer for all available options.

Service Plans: Extensions available for up to 8 years or 165 000kms from original warranty start date. Please contact your nearest Ford franchise dealer for all available options.

Maintenance Plans: Ford Protect has a variety of maintenance options for up to 7 years or 150 000kms. Please contact your nearest Ford franchise dealer for all available options.

Roadside Assistance: Option for an additional 1 or 2 years Roadside Assistance.

The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed April 2021.
